IC2006 Fresno Bid

February 15, 2004

To: Executive Committee of STARFLEET, The International Star Trek Fan Association, Inc.

Members of the USS Peacekeeper and the Shuttle Gallant cordially invite STARFLEET to come to Fresno California on July 21st, 22nd and 23rd, 2006 for the STARFLEET International Conference.

The IC2006 Bid Committee currently consists of Commodore Chrissy Killian, Fleet Captain Larry Barnes, Fleet Captain Charlie Werner and Captain Glenda Werner.

On the drawing board for agenda items include: Admiralty Board/Executive Committee meetings, various panels on recruiting, shuttles, newsletters, websites, opening and closing ceremonies and a fully catered award banquet on July 22, 2006.

We feel that the facilities and ideals for the agenda more than exceed the requirements for hosting an International Conference.

The Central Valley California has a great number of attractions. We are within an hour of 3 National Parks, Kings Canyon, Sequoia and Yosemite. Yosemite was featured in Star Trek V: The Final Frontier. We are planning a tour of Yosemite for those interested. Also within walking distance of the hotel is the Downing Planetarium located on the campus of University of California Fresno.

Thank you for your consideration.
