**Greetings from the great Halls of Learning, Starfleet Academy!**

*From the Principal's Office*

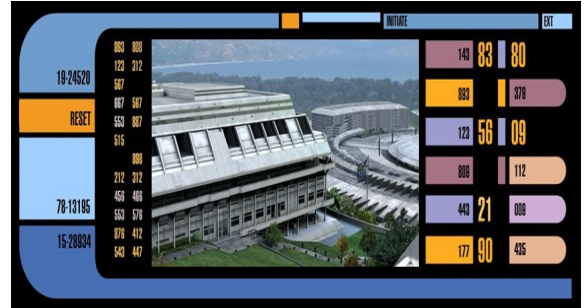

Wow, another year has gone by. I now start my 8<sup>th</sup> year as your Commandant to STARFLEET Academy. Do I tire of being in this position? I'd be fibbing if I said no. We all get those days where we'd just like to walk away, but then I look at how much work everyone at the Academy has put through for the membership and there you have it, the membership. That's why I'm still here. I enjoy being a big part of what I feel is a major place for the membership to have fun.

The Academy has grown quite a bit since I took on as 'Dant back in 2008. It hasn't happened because I'm in charge of this fabulous part of STARFLEET, it has happened because of all the individuals who enjoy adding on more enjoyment for the membership. I just sit here looking good because of all the hard work by the team of SFA.

I look forward to another year and all the surprises that will come along because there is no end to the imagination and what folks enjoy creating.

# ACADEMY CADET NEWS

Page 4

Hello everyone.

Some of you may remember an award I started about three years ago, called the Cadet Star Award. For those of you who don't remember, let me refresh your memories.

Cadets (6 to 18 yrs of age) who take courses from the college offerings within the Institute of Cadet Studies must complete a college with Honors &/or Distinctions. When doing so, they receive a congratulatory letter from myself as well as a special certificate and a gold star pin. They can complete as many colleges as they want, earning more letters, certificates and pins.

If a cadet completes any college within the Adult Institutes with Honors and/or Distinctions and only 1 Pass, the cadet will also earn the Cadet Star Award.

Some of the older cadets (13 to 18) have never attempted the colleges within the adult institutes because they didn't know they were allowed to. So, please pass this on to your cadet members.

I do hope with these incentives, that we start seeing more of our younger members start getting involved at STARFLEET Academy.

Peg Pellerin  
SFA Commandant

## CADET STAR AWARDS

There were no Cadet Star awardees in the Fourth Quarter of 2014.

Remember, those of you who direct Cadet Colleges, that when you have a Cadet who has fully completed a Cadet College with Honors and/or Distinctions to let me know so I can send that Cadet the same Award.

They can earn as many Star awards as there are Cadet Colleges.

I'd love to see a Cadet weighed down by loads of star pins!

## **Phrase It - Add A Cartoon Touch To Your Photos**

Are you ready to cartoon style speech bubbles to your favorite pictures? Well, now you can with Phrase It!

The site wastes no time in getting you right into the action. The main page consists of three options to select which It images to enhance with speech bubbles.

Your choices are Import from Facebook, Upload from your Hard Drive, or to Use a Random Stock Photo (and it will be completely random, the site generates one for you).

Make your decision, wait for the image to be prepared (it needs to have a resolution of 640 x 480 to work), and then add the speech bubbles and text of your choice to the photo. Then when you have it looking just how you want it, click preview and save.

You then have the option of saving it with different options for sharing it or putting in an e-mail link to having a download link sent to you.

It's so easy to have a lot of fun with pictures this way. Check it out today!

## Curated Quotes

I love quotations! It's been a long time since I've sat down and added some quotes to my commonplace book. But I ran across one that I just had to jot down, and it got me searching for more quotes afterwards. That's how I found this site of curated quotes!

When you arrive at the site you'll be treated to the featured collections right on the main page. And along the right side you'll find popular categories, people, and the daily quote. Along the top of the page you'll find a navigation strip offering you the options of Categories, People, Movie Quotes, Picture Quotes, and Inspirational.

My favorite way to browse though can be found by scrolling down the page to the Random Quote Generator. Just click the link and it will generate a random quote. Want another one? Click the next button.

You can also generate Random lists of quotes. Click Random List and it will generate a curated collection of a random topic. I got [Rain](#) quotes.

This is a fun way to browse quotes! I hope you'll check it out today!

### FROM THE EDITOR

Dear Students:

Another quarter and we are in 2015! Hope you all had happy holidays!

As I think of the holidays though, I have to remember that there are those who do not have family, friends, or gifts. If you can, and as we do as a Star Trek group/family, try to help those who are less fortunate than we are.

So, did you make a New Year's resolution that is reasonable and that you can stick with throughout the year? I'm still thinking...LOL.

Well students, have fun learning!!!
