

FLEET ADMIRAL STEVE PARMLEY

CS@SFI.ORG

bementfire@gmail.com

Recent resolutions passed by the Admiralty Board of STARFLEET.

AB Resolution 20-05

Region 3 makes the motion:

That the last paragraph of section 02:08, of the membership handbook be adjusted to read:

"By a simple majority vote of the Admiralty Board, any member may have their membership cancelled. Before such a vote may be taken, however, the AB must present the member with a list of all grievances by Certified Mail or otherwise confirmed communication. The member then has thirty-days to respond, also by Certified Mail or otherwise confirmed communication. The member also has the right to request an extension of thirty additional days to prepare their response. Should the AB then vote to expel the member, that member is entitled to a prorated refund of their membership dues."

AB Resolution 20-06

Region 3 Makes the motion that:

FCAPT Eileen Reed is found guilty of violating Section 02:07 of the membership handbook, and failure to abide by her legal duty of Due Care, as a member of the board. As such Eileen Reed is hereby expelled from STARFLEET International.

AB Resolution 20-08

Region 3 Makes the motion that:

FCAPT Eileen Reed's appeal did not introduce relevant information to suggest improper handling of the investigation, nor could she justify her actions, or display any remorse over causing strife to this organization and its members. As such, she remains expelled from STARFLEET International indefinitely.

ADMIRAL JAMES HERRING

VCS@SFI.ORG

ussmoco@hotmail.com

Greetings all!

With everything going on, be safe. I know we are having meetings via the Internet to stay safe. Keep being as safe as possible.

Departments Under the VCS

All Access, STARFLEET

lb206@aol.com

<https://www.facebook.com/groups/173308277449152/>

ADM Jason Schreck

This month has been a slow one. Work has continued with the disabilities guide for STARFLEET. The first version is more than half done.

Still trying to get input from members on areas we can improve STARFLEET for members with disabilities. Using the Facebook page and Discord room to try to get input as well as some input for the disabilities guide.

STARFLEET Diplomatic Corps

sfifleetambassador@gmail.com

We are finalizing a first contact diplomatic letter to be sent out. Work on the handbook is proceeding.

CPT Aaron Himes

Fast Recruiting Orientation Shakedown Team (F.R.O.S.T.)

frost.sfi@gmail.com

CPT Jason Garrett

As we are in the midst of COVID-19, the program is somewhat limited in scope, at its heart is about getting people out there in the community spreading the word etc.

However, I am in the creating a FROST Manual ready for the day we can get out there again.

Working with DTS, I have learned that both ships from the *Picard* and *Discovery* series are now in the valid class list. This can help reach out to the next generation of members, with a new fresh look.

During this time of lockdown, it is worth looking into the social media platforms to see if this can be extended into that realm.

Till next time #BeSafe #LLAP

MACO

sfso@sfi.org

RADM Denise Rush

We have gained 3 new SOU's and 14 new members

Most of the SOU/IO's are waiting on the Awards Manual to be updated and published before making any requests. This will be a priority in the coming days.

I have also selected a Uniform committee to settle the variety of differences in the MACO Uniforms. The committee has been directed to choose a uniform that is easily affordable and is non-military in appearance yet appear as a unified group when attending various SFI and Ship events.

Seven SOU's failed to report in March from both Group 1 and Group 2. I'm not sure what is going on. I know real life sometimes interferes, but I will have the Group Commanders contact those TL's and look into the issue.

Group 1 Operations:

Commanders Notes: None
Gains: 1
Losses: 0
Activated: 0
Deactivation: 0

Total SOU's & IO's: 21
Reported: 17
Excused: 0
Late: 1
Incomplete: 0
Failure to Report: 4

Unit Breakdown:

SOU's: 16 Operatives: 115
IO's: 5 Operatives: 8
Total Operatives: 123

Group 2 Operations:

Commanders Notes: None
Gains: 10
Losses: 0
Activated: 3
Deactivation: 0

Total SOU's & IO's: 17
Reported: 14
Excused: 0
Late: 0
Incomplete: 0
Failure to Report: 3

Unit Breakdown:

SOU's: 12 Operatives: 68
IO's: 5 Operatives: 5
Total Operatives: 7

Total MACO Operatives accounted for: 196
Total MACO Affiliates in DB: 324
Total MACO SOU's & Independents: 38
Total MACO SOU's & Independents reporting: 31
Percent Reported: 82%

Group 1 Reports

Roster Changes: 1

Gains - 2

Losses - 0

Leadership Changes: 1

Awards Issued: 0

Awards Requested: 0

Problems, Comments, or Suggestions:

SOU 003 - I have Awards to be put in, for team members, but waiting for the Awards to be settled.

SOU 033 - Quite pleased to have a M.A.C.O. manual in his possession and is looking forward to more.

SOU 515 - Not sure if there is a way to tell who is active and who is not on my team. Is there a location I can see this in the database?

Group 2 Reports

Roster Changes: 10

Gains - 10

Losses - 0

Leadership Changes: 1

SOU 550 - ATL changed from Michael Krough to Meg Karper

Awards Issued: 0

Awards Requested: 0

Problems, Comments, or Suggestions: 0

Petfleet

frankieh.63@gmail.com

<https://www.facebook.com/groups/petfleet/>

There was one new registration for March 2020. The total number of pet parents listed is 164 with 353 separate pets, although the information that I have does not include many of the earlier registrations. These include 17 stuffed animals, 158 cats (8 deceased, 3 retired), 141 dogs (4 deceased, 1 given away, 2 retired), 7 birds, 2 raccoons, 2 rabbits, 7 lizards, 2 guinea pigs (1 deceased), 4 tarantulas, 5 snakes, 4 turtles (1 deceased), 2 fish, and 2 rats. There are likely additional deceased pets, but these are all the ones I have record of currently.

LCDR Frances Smith

SFMC

dant@sfi-sfmc.org

<https://www.facebook.com/groups/3275293079/>

MGN Rey Cordero

1) Manual revisions are still ongoing. Courses can be requested via email to each branch director. Please visit our SFMCA for additional information. <http://sfmca.sfi.org/>

2) Many jobs are still available in the SFMC especially in TRACOM and INFOCOM, please visit the HR website for job listings. <http://hr.sfi.org>

3) The final day for receiving Honor Awards nominations is May 1st 2020.

4) The new SFMC QM is undergoing testing and should be online very soon, please expect an announcement from the CFO and INFOCOM

5) The blood drive is still going on and is going well, multiple Brigades are participating.

6) To be up to date on the latest happenings in the Corps please join our Facebook page at <https://www.facebook.com/groups/3275293079/>

STARFLEET Medical

CPT Mark Logan

medical@sfi.org

<https://www.facebook.com/groups/STARFLEET.Medical.Corps/>

Members Affiliated in the Database with the Medical Corps: 246 - an increase of 7 since last report.

Members Officially Registered with the Medical Directorate: 180 – an increase of 16 since last report

The “Operational Plan” developed in 2015 continues to be a baseline reference for STARFLEET Medical Corps members.

The main themes are -

Raise community health awareness and home safety issues

Make explicit efforts to work collaboratively with SFI Regions to further develop health awareness programming (*including community service efforts*)

Invite participation.

STARFLEET Medical Recognitions:

Hector Gutierrez Jr. 80505- CRMN- McCoy Medical -Silver Cross

Brian Crist. 68526- Capt. – SG’s Special Commendation

All open primary positions are now filled having considered the applicants resumes. list to be forwarded onto the VCS for approval once the last application has confirmed his acceptance. Two Region Coordinators have agreed to having an ASG in their Regions and I am awaiting responses from the remaining 3. Out of the 17 active regions we now have 14 ASG’s which is encouraging. I am currently talking with Region 18 chapters to obtain a volunteer.

The website is now taking shape with the webmaster.

I have reviewed the Medical awards manual and have several changes to make which I will do following discussions with the New DSG’s and Chief of Ops and then submit to the VCS for approval. This will then be incorporated into the new website and in due course the Database which the chief of Operations is working on.

Once discussions have taken place with the DSG’s I propose two new departments within the main body of the Medical Directorate:

A wellness Group – started by myself in R20 which is a place for members to go and voice concerns around mental health issues and generally issues they have in life. I must stress this is not a counseling service but a place to share experiences.

Research & Development

This is a group run by members of the corps, not senior staff. A project group initially and is available to help update medical exams at the academy under the director’s guidance or updating medical awards or databases. Updating the Medical handbook and Federation drugs and treatment Database. In essence a project group. This will be over seen by a DSG.

Chat group for the ASG’s

STARFLEET Sciencesalaricrh@charter.net<https://www.facebook.com/Starfleet-Sciences-365693010206326/>**ADM Richard Heim**

Starfleet Sciences is an informational resource within the old Fleet Resource Center concept which promotes science education and explores the portrayal of science within the Star Trek shows. Starfleet Sciences has a web site (<https://scienlaric.com/sfsci/starfleet-sciences.html>) which includes a Chief Science Officer Handbook; in the past month, the number of hits to the web page increased 38 to 5223. Starfleet Sciences also has a listserv and Facebook page; the Facebook page has 2591 lifetime total likes and 1203 daily total impressions for March. A Pininterest board of science-related events by region is available (<https://www.pinterest.com/starfleetsfi/science-related-events-by-region/>). A Stellar Cartography department, with Capt. Michael Krogh (mkrogh@mail.com) at its head, has a goal to promote amateur astronomy through information, advice and communication. Stellar Cartography's Facebook page is (<https://www.facebook.com/groups/355894761948677>). Starfleet Sciences Director Richard Heim and wife are safe and healthy, sheltering at home to escape the novel corona virus COVID-19. Starfleet Sciences receives reports from the regional science officers or liaisons in seven regions (1, 7, 8, 9, 11, 13, and 15). Region One Sciences (also led by Adm. Heim) was active with four ships reporting in March, and Region 7's Comm. Held summarized many new developments in the field of astronomy and space exploration reported by the USS Sovereign. Comm. Held's summary included reports on: the solar system's second interstellar visitor, comet 2I/Borisov; Betelgeuse's brightening and dimming; investigating the Martian underground for signs of alien life; NASA's Insight detects many Marsquakes; 15-million-year-old crater on Earth reveals clues about Mars' watery past; missions planned to Europa and Enceladus to search for alien life; Voyager 2; first known extraterrestrial protein possibly spotted in meteorite; salty space rock helps to solve longstanding comet mystery; and exoplanets in binary star systems may be common. March posts to the Starfleet Sciences Facebook page covered such topics as: leap-year; Earth acquires a new moon; similarities between human and bee brains; climate change evidence; nuclear war would spawn a nuclear El Nino; alien life and exoplanets (several); climate models for alien worlds; drought; corona virus COVID-19; quantum mechanics mystery; NASA missions to study the solar system; protein discovered in meteorite for first time; unexplained particle physics discovery; brain facts (several); and astronomers rule out a theory of everything; as well as Science Shows on TV This Week. The most popular post was the new Earth moon post (viewed by 180 people), followed by corona virus (viewed by 52 people).

ADMIRAL JOHNATHAN SIMMONS

OPS@SFI.ORG

gumbysan@gmail.com

Greetings Fleeters!

Here are this month's stats from Operations.

20 Chapters and 1 RC Failed to Report for March. 9 Chapters were placed on Stand-By for non-reporting for three months.

We decommissioned the *USS Morigan* and *USS Riviera* in Region 5 and the *USS Reval* in Region 9 at the request of their Regional Coordinators.

Lastly, I reluctantly accepted the resignation of VADM Beau Thacker, Senior Vice Chief of Operations for health reasons. He will be missed, not to mention hard to replace. The position has been posted by HR.

ADMIRAL JEFF HIGDON

COMMS@SFI.ORG

CQ 202 for the first quarter of 2020 is in the bag. You can find it on the STARFLEET database. Remember that June 15th is the deadline for articles, pictures, and messages for CQ 203.

Also, a reminder that when you request membership in one of our Facebook pages, you will need to fill out the information needed completely. You can get your SCC number from your commanding officer.

The Commander, STARFLEET has started a new YouTube video which is usually broadcast LIVE, called "STARFLEET After Dark". It will air Tuesdays and Thursdays, with the Tuesday broadcast being an ask the Commander segment. Thursdays will have guests and news about STARFLEET. You can access it by searching for "Stephen Parmley" on your YouTube search bar. You may be lucky to see some of us of the Executive Committee as part of the fun!

MAJOR GENERAL TJ ALLEN

ACADEMY@SFI.ORG

I have put out a request for Support Administrator and have two applicants to decide from.

Moodle is up and running. And I have some numbers. Below are numbers from the 1st Quarter:
In January, 55 different students took 288 total courses.
In February, 50 different students took 299 total courses.
In March, 57 different students took 510 total courses.

Moodle is up to date on versions. Applications are still rolling in.

The Course Catalog has been handed off to the Support Clerk that will maintain it and it will be released every two months on the odd months.

SFA NEWS

Certificates in Moodle has been set up. SFA is working on reviewing courses and updating with revised date.

MACO TC NEWS

Certificates in Moodle has been set up.

MACO TC has some new directors and had an increase in courses from their colleges; mainly from IOSO and from the College of Security. Two colleges in IOMS are still being worked on at this time, College of Historical Naval Vessels and the College of Women in the Military.

Colleges are still being worked on to get them ready for QAM in Moodle.

SFMCA NEWS

SFMCA has gotten a new Infantry Director and has an Assistant Director. Both are working to make the Infantry branch up to speed.

Maritime Operations will be headed by another director. They are looking to see new things from this branch.

MECHA is currently revising course materials and looking for new designs and SFMC Originals to make this branch unique to SFMCA.

The Superintendent is looking at other branches and reviewing materials and exams. He wants to get all the updates and revisions of topics for the current SFMC world. Medical branch is working on revisions in the medical branch also.

Tour of Duty – April 2020

REAR ADMIRAL TONY KNOPES

COMPOPS@SFI.ORG

db@sfi.org

WEBSITES

Sites overview:

<http://sfi.org/> - DONE

<http://members.sfi.org/> - in progress

<http://academy.sfi.org/> - DONE

<http://qmm.sfi.org/> - Almost done

<http://dts.sfi.org/> - PENDING

<http://sfmc.sfi.org/> - Migrating

<http://sfmca.sfi.org/> - Migrating Now

<http://maco.sfi.org/> - DONE

<http://medical.sfi.org/> - DONE

<http://sciences.sfi.org/> - PENDING

<http://qc.sfi.org/> - thinking stage

<http://docs.sfi.org/> - thinking stage

<http://hr.sfi.org/> - DONE

Details:

<http://members.sfi.org/>: Greg is still soliciting feedback for features and content

<http://qm.sfi.org/>: Need to finish up with pictures of product and finalizing some of the formatting

<http://academy.sfi.org/>: We have put together a list of sites that seem to be compatible with Moodle and are reviewing them at this time. We'll need to move the sites at some point in order to accommodate the Academy because the current SP will not make system changes that we need.

New ideas for sites:

<http://docs.sfi.org/>: to separate documents and other similar things into a consolidated and separate site

https://qc.sfi.org to separate the QC archive from the database. This site will still need the database authentication, however so the database will need to be able to authenticate other sites. We thought about waiting for the new database since it will have OAUTH already but I'd like to see this separated before the migration to have one less thing to worry about.

DATA CLEANUP

Scripts for cleaning up memberships has been completed and implemented. Scripts to target memberships that need to be cleaned up are in progress. Interface to allow HD to submit memberships to be cleaned up are stalled at the moment while finishing up the rest of it.

Development of scripts to allow HD/MP to clean up duplicate SCC numbers is still pending. Duplicates somehow continue to be a problem even with the new landing page for renewals and new signups. In addition to the tickets from the Helpdesk on them, I've written a script to report on them and I'm going through those and cleaning them up.

100000+ SCC numbers: no update. The plan here is that we have to determine who has these SCC numbers, whether those users have "normal" SCC numbers and then work the "merge magic" on those accounts.

New Member Database: working now on a few different things for the migration: putting together a definition of what we need for a SFI member; pulling together process flows; working on the install guide for Linux for the overall project.

Automated responses: rewriting the wording of these still happens as I come across them.

DH SITE MIGRATION

This is still pending because of the logistics in moving the SFMC off that server. In light of possibly moving to a new provider, we'll back burner this for the short period until that situation is finalized.

DATA PRIVACY

Some editing of the policy needs to be completed (tightening up a bit, contact info, etc.). Acceptance of the policy needs to be fixed. The presenting and acceptance of the policy for members with special privileges also needs to be fixed.

DOCUMENTATION

Currently, the department documentation is kept as notes in a private wiki. I have begun a Word document to begin the process of creating a portable/official copy of the runbook.

NEW DATABASE

Currently pending completion of the core by the core programming team. Design framework of Day 1 features are mostly written. Process documentation of Day 1 features are underway.

Current active members (from the database)
